Sir:

In Reference to 'Request for revival of US Patent application # 09/507,700', following notice from USPTO of abandonment under 37 CFR 1.53 f,g, mailed the 08/07/2002, please find a copy of bank transaction concluded for payment of 644.00 US dollars to the US treasury for revival of CONTINUATION application request under 'Unintentional Delay'.

Letter of request (without reference explaining reason for electronic bank transfer) dated August 25, 2002 was sent by registered mail on the 05 of sept 2002 (see also copy of registration mail coupon included).

If not too demanding, I would greatly appreciate a fax confirming reception of money by beneficiary for request of revival and examination fees.

Sincerely,

Yves Barbarie Ph.D.
